"Parents and students are eager for schools to reopen in San Diego. Primary.Health's automated technology is giving us the tools we need to register, streamline and organize testing so that we can get life back to normal for our kids, while ensuring teachers and parents feel healthy and safe."

Donnie Salamanca, Deputy Superintendent, Coronado Unified School District

"Primary.Health got our BinaxNOW™ program up and running in less than 24 hours. Their platform helped us create a safer in-person learning environment for all of our staff especially our teachers and students."

Roy Mendiola, Ed.D., Superintendent, McSwain Union Elementary School District, Merced CA

# School-Based Rapid COVID-19 Testing

How It Works
Site Logistics & Capacity Planning

We design a program that meets the needs of your locations, populations, and program goals.

Participant Registration & Digital Consent Forms

Participants can easily register, sign consents, and view results.

On-Site Workflow Management

We help you test students and staff quickly and efficiently to minimize classroom disruptions.

Automated Reporting

Eliminate paperwork and reduce errors by automating state reporting and participant notifications. We provide digital proof of test result/vaccination.

Data Analytics & Dashboards

Monitor program metrics to identify outbreaks quickly and track cases over time at a district level.
